

# Statewide Parent & Family Engagement Initiative

Learning for a "Change" Summit XII

February 5-6, 2018  
8:30 a.m. - 4:00 p.m.

## Day 1: Parental Involvement

### Opening Keynote Session and 12 Breakout Sessions

#### TEA ESSA Updates

TEA will provide an opening keynote session as well as timely breakout sessions with ESSA updates.

#### Communication Creates Community

Parent and Family Engagement is not only the law it is a common sense practice to achieve student success. But how? Effective home-school partnerships are established upon meaningful, regular two-way communication. The day will be filled with breakouts:

- How to talk to families about bullying and David's Law
- How to build relationships with families from diverse backgrounds
- How to use social media effectively to connect with families
- What does regular two-way communication mean

• Handouts will be provided

## Day 2: School Support

John Wink

### Transformational Leadership:

### Turning Ordinary Schools into Institutions of Excellence

Participants will learn the proven strategies that John Wink has employed as a successful principal, assistant superintendent and now superintendent to transform ordinary schools into excellence driven organizations. Content includes a transformational leadership inventory, innovative strategies to create nets of communication, tips to transform followers into leaders, and the secret of how to turn expectations into excellence.
